October 11, 2020

The Freeport Tuna Club is pleased to extend this offer to store your boat at its property for the 2020-2021 winter seasons. The rates for this season are **\$15** a foot for members. **Due to increased demand, the club will only be allowing FTC members to store their vessels on property for the 2020-2021 winter seasons. You are not guaranteed winter storage for your vessel storage until the payment is received.**

PLEASE NOTE AND COMPLY!!!!!!!!!!

We have made arrangements with Atlantic Yacht Haven for placement of all boats on the property. Using professionals will allow the club to maximize the number of vessels stored on the property. You can use any hauler that you choose but they must call Chris Squeri or Alan Bregman at Atlantic Yacht Haven in order to find where your boat should be placed on the property. This includes all boats on trailers. Chris and Alan at Atlantic Yacht Haven will be in charge of placements of all boats on FTC property for winter storage.

Please call 516-377-7720 or text 516-523-3444 to find where your boat will be located on the property. The Property Committee Chairman, Bob Sabella, has the right to move any boat on the property at his sole discretion at any time for any reason.

All vessels must be identified with the name of the owner. Please mark the trailer, shrink wrap, cover, or other suitable location with your name.

In order to avoid misunderstandings, the club uses a written lease agreement. Please be aware that the contract terms are closely followed. Should you decide to keep your boat at the property, you should carefully read the agreement, complete any missing information, **sign the contract and return the lease** along with your payment to the FTC Property Manager at the Address below. Make your check payable to the Freeport Tuna Club. Your cancelled check will serve as your receipt. **You are required to have an updated insurance policy on file with the property manager, Donald Granger (not Alan Bregman at Atlantic Yacht Haven), in order to have your vessel at FTC Property for storage. Take note of your insurance expiration date!**

If you have questions or concerns about the winter lease, the amount invoiced, or FTC Property Rules please contact the Property Manager or the Property Committee Chairman.

Thank You
Donald Granger,
